

# MEMORIES OF THE DALES

**17<sup>th</sup> January – 12<sup>th</sup> February 2023**

## PHOTO ENTRY FORM

Do you have memory-filled old photos of the Dales from 1940 – 1990? Then they could be perfect for a new exhibition at The Garden Rooms at Tennants, which will be taking place from 17<sup>th</sup> January – 12<sup>th</sup> February next year.

We will be creating an exhibition that charts 50 years of change in the Northern Dales, as captured in the photographs of the people of the area and are asking you to dig out your old photograph albums.

They are looking for photos that show village life, markets, farming life, fairs and events, transport, education and more. The best 60 photographs submitted that capture life in the Dales will be enlarged, but all images entered will be incorporated into a digital photo reel as part of the exhibition.

## HOW TO ENTER:

All original photographs will be scanned for enlargements, and the originals returned to you promptly.
